亲爱的家长，

你们好！您孩子今年的学费现在需要交了。学费包括所有的学习资料。另外，新南威尔士州政府允许公立学校收取一份义务捐助费用。今年我们学校收取您的第一个孩子\$40，第二个孩子\$25，第三个孩子\$15，第四个孩子\$10。这些资金会用来购置纸张，艺术用品及网络教学资源等等。我们大部分家长们都已经付了这个费用，对于你们的支持，我们深表感谢！

今年我们从学前班到六年级的学生都会订阅网络教学资源。通过网上的学习及各种练习，老师可以看到学生们对所学习概念的理解程度，了解学生们的强弱点从而制定适合每个学生的教学计划。因为所用的网络教学资源都需要付费，所以今年有一份电脑技术费用。

您可以在学校网站付费，也可以付现金，如果您付现金，请付正确的数额。学校不设零找服务。谢谢您的理解及合作！

Jan Holt

Payments for all general fees are **now due**. These include school learning resources, technology subscriptions, School Magazine and provision of home reading resources. The NSW Government also allows public schools to collect a voluntary contribution for each student attending their local government school. The school has set the 2017 contributions of \$40 for the first child and established a sliding scale cost for families of more than one child. This money is used to provide resources for classrooms e.g paper and art supplies. We have a high level of payments received and the school is very grateful for this support.

This year, students across K-6 will be using a range of subscription websites and applications. These include Jolly Phonics, ABC Reading Eggspress and Mangahigh. Students can explore new topics and practice their literacy and math skills through teacher assigned tasks and interactive activities. As students learn, their activity feeds into reports that show important information such as strengths and weaknesses in a particular concept. Through the use of educational websites and applications we are able to provide a personalised learning experience for all students. As with most educational programs there is a licensing fee to enable full use of the site which is the technology fee being requested this year.

## **How to pay:**

To assist with this process online payments via the school website are preferred or you can make correct cash payments to the office. **No change will be given.**

We hope you will be able to assist us in extending the quality education we provide for your child.

Yours sincerely,

Jan Holt  
Principal
