

Deputy Principal's Message

Term 3, Week 4

Dear Parents / Carers,

We have had an exciting and busy start to the Term with some of the highlights from over the past couple of weeks.

Sydney FC Football Clinic

Over the next four weeks students from Years 4 to Years 6 will be participating in the Sydney FC Sporting Schools program to support increase the children's participation in sport, nurture their lifelong love of football, and support the children get active, engaged and having fun through playing sport and learning new skills. Here are some of the highlights from our first session this week.

Education Week

On Tuesday the Harcourt community celebrated Education Week, *'Today's Schools – Tomorrow's World'*. It was wonderful to see so many parents and carers actively participate in the activities of the day. The parents were challenged to create a bridge using newspaper, tape and straws to develop a bridge that could hold a large dictionary. It was great to see so many parents meet that challenge and use their critical thinking skills to come up with a number of creative designs.

Kindergarten Enrolment

It is now that time of year when we start to think about enrolments for 2019. If you have a family member, a friend or a neighbour who has a child who turns five before July 31st 2019 and lives within the Harcourt Public School designated intake area, they are eligible to begin school in 2019. Please click on the link below to access information about primary school enrolment. Feel free to approach the friendly staff at Harcourt if you have any enrolment enquiries.
